We have obtained 5013(c) status through National Cribs for Kids.

Halo Safe Sleep Sacks kick-off at CCHS will be May 13th, Mother's Day; parents will receive sleep sacks to take home (funded by the hospital); crib cards will also be given which include text boxes displaying the safe sleep message. Pam and Kathy are showing the sleep sacks in their classes, as well.

DHMIC/CDNDSC Safe Sleep Campaign: developed a 5 year plan with a two-part message – the Public message addresses safety and preventability (billboards and PSAs) while the Professional message addresses healthcare (hospital surveys; Delaware Safe Sleep Program diagram given). The public media campaign and professional campaign (to include parent education material and toolkits) are set to launch in June together to ensure consistency with the safe sleep message.
